

Cabot Residents Survey 2008

From your local Liberal Democrat Team - Stephen Williams MP,
Cllr Mark Wright and Cllr Alex Woodman

Dear Resident,

We believe that, as your elected representatives, listening and responding to your views is one of our most important jobs.

We hope therefore that you might be willing to spend five minutes completing this survey, so that we can best represent your views at local and national level.

Once you've completed it, simply follow the instructions on the back and pop it in the post - you don't even need a stamp!
